

Festival Report

With a promise of commitment and hope the first Harvest Festival was held in October of 2011.

The goal of the festival was to raise money to purchase tables and chairs for the basement of the church as well as making a monetary donation to WAIM. I don't think any of us could have anticipated the overwhelming results we received. With our gross profits of \$2,726.00 we far exceeded our monetary goal of \$2500.00. But, what we gained from this experience is much more important. We gained a sense of community, togetherness, friendship. One of the things that originally brought our family to Holy Trinity is the sense of family you feel from the moment you walk through the door. That feeling was echoed throughout the festival.

The festival was organized with many facets. Food booth, basket raffle, silent auction, country store and Russian Imports. The food booth was the most popular booth with a constant stream of people.

Many thanks to our parish family for their support of this endeavor. From the scrubbing of the sinks, prepping of food, donations of goods and most importantly your time we humbly thank you.

So.....let's order those tables and chairs and do it again this year!
